

SCHEDULE OF MEMBERSHIP DUES -- 2017

ACLA membership dues are determined according to revenue. Please consult the following chart to ascertain the correct amount of your dues according to your estimated yearly revenue. Members joining mid-calendar year pay pro-rated dues for only the portion of the year they are official members. ACLA's by-laws also allow members to pay their dues in installments. Revenue information is reported to ACLA's outside counsel and is kept confidential.
